Call for participation/ poster presentation
at curesarcoma-c@smtrc.org

Participation fee: $300/¥30000
(Including Banquet Fees, Seats 30 peoples)

4th December (Thu), 2014
Frontiers in the Genomic Landscape and Histogenesis of Sarcoma
Javed Khan, M.D., Ph.D. at National Cancer Institute, U.S.A.
Takuro Nakamura, M.D., Ph.D. at The Cancer Institute, Japan

Lunch-On-Seminar; Clinical evaluation and treatment of leiomyosarcoma
Katsuhito Takahashi, M.D., Ph.D. at Osaka Medical Center for Cancer & Cardiovascular Diseases, Japan

Frontiers in the Surgical Oncology in Sarcoma
Yuusuo Ono, M.D. at Fuchinobe General Hospital/Shin-Yamate Hospital/IUHW Atami Hospital, Japan
Shinichi Toyooka, M.D., Ph.D. at Okayama University Hospital, Japan

Leading and Pioneering Topical Treatment of Sarcoma
Yukihiro Koike, M.D., Ph.D. at Kanto Central Hospital, Japan
Hiroaki Nomori, M.D., Ph.D. at Kameda General Hospital, Japan
Yusuke Demizu, M.D., Ph.D. at Hyogo Ion Beam Medical Center, Japan

Banquet/ Gala Dinner (Ballroom II)
Patients Advocacy (Poster Presentation)

5th December (Fri), 2014
Frontiers in the Medical Oncology in Sarcoma
-Past, Present and Future-
Robert Maki, M.D., Ph.D. at Mount Sinai Hospital, U.S.A.
Yu Oyama, M.D. at Kameda General Hospital, Japan
Hiroyuki Narihara, M.D., Ph.D. at Hyogo Prefectural Nishinomiya Hospital, Japan
Robin L. Jones, M.D., Ph.D. at Washington University, U.S.A.
Congress Program

4th December (Thu), 2014

9:30  Opening Remarks
Katsuhito Takahashi, M.D., Ph.D. at Osaka Medical Center for Cancer & Cardiovascular Diseases, Japan

9:45  Call for Participants and Papers to the 2015 Annual Meeting of the Japan Sarcoma Association (JSA)
Satoshi Teraoka, M.D., Ph.D. at International University of Health and Welfare (IUHW), Japan

10:00  Frontiers in the Genomic Landscape and Histogenesis of Sarcoma
Whole genome analysis of Ewing sarcoma family tumors
Javed Khan, M.D., Ph.D. at National Cancer Institute, U.S.A.

Histogenesis of Ewing’s sarcoma.
Takuro Nakamura, M.D., Ph.D. at The Cancer Institute, Japan

12:00-13:00  Lunch-On-Seminar
Clinical evaluation and treatment of leiomyosarcoma
Katsuhito Takahashi, M.D., Ph.D. at Osaka Medical Center for Cancer & Cardiovascular Diseases, Japan

14:00  Frontiers in the Surgical Oncology in Sarcoma
Challenging surgical treatment of abdominal, retroperitoneal and gastrointestinal sarcoma
Yasuo Ono, M.D. at Fuchinobe General Hospital/Shin-Yamate Hospital/IUHW Atami Hospital, Japan

Surgical treatment of multiple lung metastasis of sarcoma
Shinichi Toyooka, M.D., Ph.D. at Okayama University Hospital, Japan

15:00  Coffee Break at Terrace

16:00  Leading and Pioneering Topical Treatment of Sarcoma
Radio-frequency ablation therapy for multiple liver metastasis of sarcoma
Yukihiro Koike, M.D., Ph.D. at Kanto Central Hospital, Japan

Cryo-ablation therapy for multiple lung metastasis of sarcoma
Hiroaki Nomori, M.D., Ph.D. at Kameda General Hospital, Japan

Particle radiotherapy (carbon ions and protons) for sarcoma
Yusuke Demizu, M.D., Ph.D. at Hyogo Ion-Beam Medical Center, Japan

18:00-20:00  Banquet/Gala Dinner (Ballroom II)
Patients Advocacy (Poster presentation)

5th December (Fri), 2014

9:00  Frontiers in the Medical Oncology in Sarcoma -Past, Present and Future-
State of the art lecture; Drug therapy for sarcoma -past, present and future
Robert Maki, M.D., Ph.D. at Mount Sinai Hospital, U.S.A.

Chemotherapy and molecular-targeted therapy for sarcoma
Yu Oyama, M.D. at Kameda General Hospital, Japan

Pazopanib, an anti-angiogenesis therapy for sarcoma
Hiroyuki Narahara, M.D., Ph.D. at Hyogo Prefectural Nishinomiya Hospital, Japan

Recent advances and clinical trials of drug therapy in sarcoma
Robin L. Jones, M.D., Ph.D. at Washington University, U.S.A.

12:00  Closing Remarks
Robert Maki, M.D., Ph.D. at Mount Sinai Hospital, U.S.A.
